

#### **Figure 4**

UnivariateMenRev2.m and UnivariateWomenRev2.m produce Figure 4. The numbers in the corresponding paragraph are from LeeBounds.m.

#### **Figure 5**

The underlying numbers were produced by RegressionGraphMen2b2Rev2.m and RegressionGraphWomen2b2Rev2.m.

RegressionGraphWomen2b2Rev2.m and RegressionGraphMen2b2Rev2.m produced the graphs.

The numbers for the confidence intervals in the corresponding paragraph are obtained using the same programs but with a finer grid around those numbers.

#### **Tables 2 and 3**

Except for the last columns, these are produced by ParametricSampleSelectionBoth.do in the folder Stata. The numbers in the last column come from MakeTables\_2and3.m
